Uruguay's South-South and Triangular Cooperation

68
Projects

The Uruguayan Agency for International Cooperation coordinates the non-reimbursable international cooperation that Uruguay receives and provides to contribute to sustainable development.

It leads Uruguay's South-South and Triangular Cooperation strategy by promoting bilateral programs and Triangular Cooperation agreements, providing technical and financial support to national institutions, and systematizing the country's capacities in these modalities.

Cooperation Projects:

Strategic Partners of Triangular Cooperation:

Cooperation Projects and their contributions to the

SUSTAINABLE DEVELOPMENT GOALS
