Short description of your institution/company:

MV Global Consulting® is a business consulting agency working with the Export-Import Bank of the United States of America.

The U.S. EXIM Bank is the official export credit agency of the United States government. It operates as a federal corporation, financing the acquisition of U.S. machinery & equipment ranging from \$350,000 up to \$300 million USD worldwide.

MV Global Consulting® is assisting Latin American companies to obtain the best EXIM Bank financing for the purchase of capital goods and to qualify for lines of credit for their renewable energy projects.

MV Global Consulting® also provides business advisory and facilitation services to supports companies' growth objectives mostly to clients seeking to expand their operations through M&A (Mergers and Acquisitions) in Europe and Latin America.
