

# **Second Meeting of the Network of Front Line Officers' Working Group for the Latin America Region**

**Hosted by the  
Government of Colombia**

**through the  
National Police of Colombia**

**Bogota, Colombia  
and virtual participation via Cisco Webex**

**11 - 14 July 2023**

**Ref. No.: EVT2103811**

## **Information Sheet**

### **Introduction**

The meeting aims to enhance awareness of nuclear security detection operations in the region, including a review of recent case studies and interdictions of nuclear or other radioactive material, as well as to develop participants' capacity to conduct nuclear security operations within their respective countries.

### **Objectives**

The meeting will bring together experts in detection and response to nuclear security events from Latin American countries, to promote sharing of good practices, review of recent case studies, and networking to promote regional cooperation in nuclear security detection operations.

## Target Audience

Participants for this event should work primarily in front line organizations within their countries (Customs, Border Guard, Police, First Responders), and should be familiar with nuclear security detection operations in their country. Participants should also be members of the Front Line Officer Network Working Group for the region.

## Working Language(s)

English and Spanish

## Participation and Registration

All persons wishing to participate in the event have to be designated by an IAEA Member State or should be members of organizations that have been invited to attend.

This event will be held as a hybrid, allowing for virtual participation.

In order to be designated by an IAEA Member State, participants are requested to send the **Participation Form (Form A)** to their competent national authority (e.g. Ministry of Foreign Affairs, Permanent Mission to the IAEA or National Atomic Energy Authority) for onward transmission to the IAEA by **22 May 2023**. Participants who are members of an organization invited to attend are requested to send the **Participation Form (Form A)** through their organization to the IAEA by above deadline.

Selected participants will be informed in due course on the procedures to be followed with regard to administrative and financial matters.

Participants are hereby informed that the personal data they submit will be processed in line with the [Agency's Personal Data and Privacy Policy](#) and is collected solely for the purpose(s) of reviewing and assessing the application and to complete logistical arrangements where required. The IAEA may also use the contact details of Applicants to inform them of the IAEA's scientific and technical publications, or the latest employment opportunities and current open vacancies at the IAEA. These secondary purposes are consistent with the IAEA's mandate.

## Expenditures and Grants

No registration fee is charged to participants.

The IAEA is generally not in a position to bear the travel and other costs of participants in the event. The IAEA has, however, limited funds at its disposal to help meet the cost of attendance of certain participants. Upon specific request, such assistance may be offered to normally one participant per country, provided that, in the IAEA's view, the participant will make an important contribution to the event.

The application for financial support should be made using the **Grant Application Form (Form C)** which has to be stamped, signed and submitted by the competent national authority to the IAEA together with the **Participation Form (Form A)** by **22 May 2023**.

## **Visas**

Participants who require a visa to enter Colombia should submit the necessary application as soon as possible to the nearest diplomatic or consular representative of Colombia.
