Subject: Virtual Event - TC Training Course on Awareness and Identification of NORM Residues, Vienna, Austria, from 25 to 27 May 2021

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT2022, "Supporting Capacity Building in Member States for Uranium Production and Safety of Naturally Occurring Radioactive Material Residue Management".

The purpose of this Virtual Training is to provide information on IAEA safety standards for management of NORM residues, with focus on an overview of NORM activities and NORM residues, origin and characteristics of NORM residues, general approaches for identification of NORM residues.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

We would appreciate receiving your country's nominations by **3 May 2021** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Mr Javier Romero J.Romero@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Javier Romero', with a large, sweeping flourish extending to the right.

Javier Romero
Programme Management Officer
Division for Asia and the Pacific
Department of Technical Cooperation
