Subject: Virtual Interregional Training Course on Targeted Radionuclide Therapies, Houston, TX, United States of America, from 23 August to 3 September 2021

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT6061, "Improving the Quality of Clinical Practice in Nuclear Medicine in Member States".

The purpose of the event is to train experienced nuclear medicine physicians and nuclear medicine physicists with consolidated approach in therapeutic nuclear medicine so that they will acquire skills and competences which will enable them to enhance their practices.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures.

For participants who indicate their need, the IAEA could provide financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with the IAEA rules and procedures.

We would appreciate receiving your country's nominations by **31 May 2021** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org), with copy to Ms Mayumi Yamamoto [M.Yamamoto@iaea.org](mailto:M.Yamamoto@iaea.org). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
