Green Hydrogen in Uruguay**

TECHINT
Engineering & Construction

Institution or company name	Techint Engineering & Construction				
Institution webpage	www.techint.com				
Other web sites of interest					
Contact (person, email, phone...)	Patricio Prandi pprandi@techint.com +54 11 4018 4142 +59 8 2901 9091				
Additional contact (person, email, phone...)	Katerine Herrera Castro kherreracastro@techint.com +54 11 4018 4720				
Type of institution (please select all that apply)	<i>Public</i>	<input type="checkbox"/>	<i>Private</i>	<input checked="" type="checkbox"/>	<i>Academy</i>

Short description of your institution/company:

Backed by 75 years of experience, we provide a range of services including project management, engineering, procurement and construction. Techint E&C develops high complexity projects, from design to execution, taking care of the environment and the welfare of surrounding communities. With more than 17,500 employees worldwide, the company has successfully completed more than 3,300 projects in compliance with ISO/BS/OHSAS international standards in America, Europe, the Middle East and Africa. Currently, the company delivers services in the following market segments: Oil & Gas, Power, Industrial Plants, Downstream& Chemical, Mining, as well as Infrastructure & Architecture Civil Works. The company's multilocal approach means each operation has a thorough knowledge of the technical standards, laws, regulations and tax structures applicable in each country. Similarly, Techint E&C develops relationships with the financial entities, labor unions and subcontractors in the regions where they operate, based on a comprehensive understanding of local cultural norms.

Your institution provides (please select all that apply)	<i>products</i>		<i>services</i>	X

Short description of your relevant market, i.e. your relevant product/service and geographic market:

Construction: Our extensive experience in providing constructability solutions means we are able to meet cost and time requirements even under the most challenging conditions. Thanks to a range of innovative tools and the certification of our Project Managers by the prestigious Project Management Institute (PMI), we can guarantee efficient project management.

Engineering: Through its Engineering Centers in Buenos Aires (Argentina), São Paulo (Brazil), Ciudad de México (Mexico), Milan (Italy), Monterrey (Mexico), Mumbai (India) and Sevilla (Spain), Techint provides high added-value services, such as feasibility studies, conceptual engineering, preliminary design, basic design and de-bottlenecking and revamping studies.

Procurement: Our network of expert professionals located all over the world ensures the integrated management of tasks ranging from purchase, inspection and activation, to logistics and imports.

Fact & Figures:

- +80 M construction labor hours per year
- +600,000 tons of Steel Structure assembled
- +900,00 tons of equipment installed
- +14,000 MW installed

Area(s) of activity (please select all that apply) in connection with Green H2

<i>Hydrogen and other products production</i>	X	<i>Renewable Energy</i>	X	<i>Transport</i>	X
<i>Logistic</i>	X	<i>Industrial</i>	X	<i>Finance</i>	X
<i>Legal</i>					

Expertise areas (please select all that apply)

<i>R&D</i>		<i>Technology transfer</i>	X	<i>Technology developer</i>	
<i>Technology end-user</i>	X	<i>Technology supplier</i>	X	<i>Investor</i>	X

Other:

Main technological capacities and facilities

Hydrogen & Ammonia Highlights: Solid experience in E and EPC:

- Ammonia Process Plants & Licensors Relation
- Green Hydrogen Plant for Steel Industrial Facilities
- Relationship with Electrolyzer Technology Providers and Equipment
- Suppliers
- Hydrogen Generation
- Gas Pipelines

Methanol Projects:

- Olefins Utilization Plant Ensenada Petrochemical Center
- Methanol Production Plant Plaza Huincul Neuquén
- New Process Relief Torch for Methanol Plant Plaza Huincul Neuquén
- Gas Pipeline for ENAP's Methanol Plant
- Methanol Production Plant Damietta I
- Methanol Plant Engineering Nizhny Tagil
- Methanol Plant Engineering Vladivostok
- Methanol Plant Engineering Port Harcourt

About the partner(s) you are looking for

Where are you looking for a partner (please select all that apply):

In Uruguay *Abroad*

Looking for partners in the area(s) (please select all that apply)
