**Expertise areas (please select all that apply)**

R&D		Technology transfer		Technology developer	
Technology end-user	X	Technology supplier	Investor		
Other: Logistic / Transport/ Accounting, Tax and Legal	X X				

**Main technological capacities and facilities**

QUANTUM operates weekly with local transport companies between Montevideo and several cities in Uruguay & also within Montevideo City. It can help test the Green Hydrogen solution in some trucks to check performance and business impact in local environment (evaluating hydrogen as a fuel). We have the expertise and facilities (subcontractors' warehouse, trained staff, transport of goods, equipment & industrial projects worldwide) to advise on any Logistics services, QUANTUM counts on Technological Solutions: end-user of Warehouse Management System and Blockchain System. We also have the professional staff to advise setting up & represent any type of company in Uruguay (legal, accounting & tax matters) with corresponding management internal/external systems.

**About the partner(s) you are looking for**

**Where are you looking for a partner** (please select all that apply):

In Uruguay	<input checked="" type="checkbox"/>	Abroad	<input checked="" type="checkbox"/>
------------	-------------------------------------	--------	-------------------------------------

**Looking for partners in the area(s)** (please select all x apply)

Hydrogen and other products production	<input checked="" type="checkbox"/>	Renewable Energy	<input checked="" type="checkbox"/>	Transport	<input checked="" type="checkbox"/>
Logistic	<input checked="" type="checkbox"/>	Industrial	<input checked="" type="checkbox"/>		

**What kind of partner(s) are you looking for**

We are looking for potential investors who are interested in participating in the Project in Uruguay and partnering with a local company related to transport of goods, equipment and industrial projects in order to evaluate hydrogen as a fuel. We are also interested in partners that are looking to get their business set up and/or represented by serious, highly committed to environmental issues and technologically developed local company that will help to develop hydrogen projects in Uruguay & render excellent services to customers.

**Which capacities and/or facilities are you looking for**

**Date:** 16/05/2022
