**Short description of your institution/company:**

Adapta is an environmental consulting firm. It has 7 years in the Uruguayan market.

It's objective is to work alongside the client to provide efficient and quality service, based on its professional approach, commitment and deep understanding of the national regulatory framework. The multidisciplinary technical team, with extensive experience, allows ADAPTA to generate work teams adapted to the needs of each client, and implement innovative solutions.

Constant improvement of technical quality, incorporating the latest knowledge and trends in the environmental area and adapting them to the reality of Uruguay, is one of the most important ADAPTA's values.
